## What is a Scam Marshal Pen Pal?

A Scam Marshal Pen Pal is a Scam Marshal that wants to communicate with other Scam Marshals about anything they want, including their experiences related to scams and what they are doing in their local area to raise scam awareness. Initially, the scheme is facilitated by the National Trading Standards (NTS) Scams Team. The Scam Marshal will send their letters into the NTS Scams Team along with their scam mail, the team will then match the Scam Marshal with a Pen Pal and pass that letter on to their Pen Pal, and vice versa. After 6 months if both people agree for their information to be shared, Pen Pals can write to each other directly.

## Do you want to be a Scam Marshal Pen Pal?

You can write as much or as little about yourself as you feel comfortable. NTS Scams Team will not share your details and nothing you write will be read by the NTS Scams Team (make sure your Pen Pal letter is in an envelope clearly marked for your Pen Pal when you send it in with your scam Mail). Your letters will be kept confidential until they are delivered to your Pen Pal each month.
