

# Could you be a victim of a scam?

## Instructions:

Hand out into groups and let them find their own way to see if they could be a victim of a scam.

After 5 minutes go through the infographic with them.

# Search

how to get free

how to get free v bucks

how to get free money

how to get free social media followers

how to get free subscriptions

how to get free music downloads

I WOULD SEARCH THIS

I WOULD'NT SEARCH THIS

You should not search for deals that are unrealistic.

You should never click on a link if you don't know where it goes. Tip: Hover over any link to see where it goes. Look for https as the S means it's a secure site.

Do you think this link is safe to click on?

No

Yes
